2014: A Clio Year In Review

Written by Teresa Matich

2014: A Clio Year In Review

We knew Clio customers had a productive year, but we didn't know exactly how productive. When the team started to look at the year in review, we ran some numbers, and were amazed with the results. See what law firms using Clio accomplished over the past year by clicking the image below:

Some highlights:

- In 2014, Clio customers added **4.6 million contacts**
- In 2014, Clio customers created **6.8 million documents**
- In 2014, Clio customers tracked **26.6 million hours**

Together, Clio customers were the world's largest, hardest working law firm in 2014. What will we accomplish in 2015?

About Clio

Clio is the global leader in legal AI, powering legal work across the profession, from law firms of every size to corporate legal teams, government agencies, and courts. Its Intelligent Legal Work Platform unites the business and practice of law, connecting the people, information, and processes behind legal work. Clio's AI brings the context together with legal sources drawn from Clio Library, a growing collection of more than one billion legal documents. Over 400,000 legal professionals in more than 130 countries rely on Clio to run their legal world. Learn more at www.clio.com.
