Infographic: Law Firm Cybersecurity

Whether you admit it or not, your law firm's data is vulnerable. In fact, in a recent security report, Cisco ranked the legal industry as seventh most vulnerable—and most law firms certainly aren't helping. Below are some eye-opening statistics on how dire the situation really is, and a resource you can use to start improving law firm cybersecurity immediately at your own practice.

About Clio

Clio is the global leader in legal AI, powering legal work across the profession, from law firms of every size to corporate legal teams, government agencies, and courts. Its Intelligent Legal Work Platform unites the business and practice of law, connecting the people, information, and processes behind legal work. Clio's AI brings the context together with legal sources drawn from Clio Library, a growing collection of more than one billion legal documents. Over 400,000 legal professionals in more than 130 countries rely on Clio to run their legal world. Learn more at www.clio.com.
